FEE SCHEDULE

Sharon's fee is \$200 per hour. The first visit takes about 1 to 1.5 hours (children may require less time). The session includes a computerized evaluation of your full health profile, including emotional, environmental, dietary, pathogenic, structural and hormonal aspects.

Once we identify the causes of your health issues, we will help you regain your natural balance through emotional healing, detoxification, nutrition and allergy elimination. If you just want to be evaluated, it takes about 30 minutes. The follow-ups are usually 30 to 60 minutes.

Remedies (e.g., homeopathy, detox supplements, enzymes) are extra. They range in cost from \$9 to \$99 based upon your needs.

Payment is due at the time of service. Cash, check or credit card is accepted. We do not accept insurance but will give you the necessary form for you to submit. Please check with your insurance carrier for out-of-network coverage.

Cancellation Policy: Early notice of cancellation is greatly appreciated. \$100 will be charged if the cancellation is made within 24 hours of the appointment time unless it is for a medical emergency.
